5 TOUGH QUESTIONS TO ASK to stay safe online

1. How can I tell if a website is safe for sharing personal or financial information?

2. How do I protect myself, my family and my kids from cybersecurity attacks?

3. Does the information stored on my mobile device or shared via social media increase my risk for a data breach?

4. What should I do if my personal records and information are stolen?

5. What kind of fraud or identity theft protection is offered to me from my banks, credit card companies and homeowner’s insurance policy?
