5 TOUGH QUESTIONS
TO ASK *to stay safe online*

1 How can I tell if a website is safe for sharing personal or financial information?

2 How do I protect myself, my family and my kids from cybersecurity attacks?

3 Does the information stored on my mobile device or shared via social media increase my risk for a data breach?

4 What should I do if my personal records and information are stolen?

5 What kind of fraud or identity theft protection is offered to me from my banks, credit card companies and homeowner's insurance policy?
